Happy New Year!

Can you believe it? 2011. I was thinking the other day about when I was a kid growing up and you would hear the year 2000 and just think, wow, that is so far away. Well, guess what? We are starting the 11th year since 2000. It is amazing how quickly time flies.

The New Year will bring many new opportunities within Chapter D and all the other Chapters for you to have fun and participate. Special thanks to several of our members, who have done an excellent job of getting us out and riding. It seems there is always a ride going on now within the Chapter. This is a good thing. Let's be sure we keep this going in 2011. After all, in my opinion, that is what this whole organization is about, the riding and the beautiful bikes that we all own and enjoy. Let's make sure this year that we all enjoy our bikes and trikes and let's keep the wheels moving on them all year long. Come on and join us. Join us on a day ride or one of the many much longer rides we will take all over this great country of ours. You have someplace you want to ride? Then let's do it. Let us know when and where and we will be there ready to go.

We look forward to our monthly gatherings this year as this allows us time to see our friends, tell some great stories, learn some things from our Educator and also enjoy a great meal while we are doing it. Try to attend as many gatherings as you can and bring any new ideas with you. We are always open to try anything if you would like to try it. It's all about making this a fun time every month.

Debbie and I would like to take a moment to thank all of the members of our Chapter for everything that you have done for us in 2010. You made the transition for us to Chapter Directors a very easy and enjoyable one. I know some of you probably got tired of hearing from us with our many questions but each and every one of you that we reached out to were more than willing to help and guide us along. The Chapter D staff was amazingly helpful and ready to assist with anything that was asked of them. A special thank you to our fine staff. I have always said that you cannot beat experience in anything in life and we certainly came to many of you that are experienced in GWRRA and asked for guidance. For that we say a great big thank you as well.

Let's not forget about Wingless coming up in February. This will allow us the chance to gather and have some fun in the dead of winter. You can find more details about this event in this newsletter.

Thanks again for your support and we look forward to seeing everybody on the 26th at our monthly gathering.

Ride safe and let's ride!

Rich & Debbie

Wingless Weekend Update

The new location Crowne Plaza, Broad St Richmond fits our needs wonderfully. The hotel was recently updated to Crowne Plaza standards. The rooms will run \$72 a night, and include free internet access, alarm clock with CD player, hairdryer, ironing board with iron, coffee maker, 27" TV with cable and a Sleep 243550-01 Advantage Amenities package. The hotel also has a fitness center, indoor pool and whirlpool. The conference center is located at the backside of the hotel so it is out of the flow of traffic, but is connected to allow for indoor access. There are 500 parking spaces specifically for the conference center, so parking will not be a problem.

We will have a familiar setup in that we will have registration just outside of the Ballroom where the Friday night festivities will be held. The Ice Cream Social will take place in the hospitality suite in rooms 746, 748 and 750.

For Saturday, the Ballroom will be divided into 3 separate meeting spaces for our functions. We will also have two more rooms just around the corner that will accommodate our Med First Classes. The hallways will be used for Departmental Tables as in the past.

Saturday Evening, the dinner will be held in the ballroom. This will be a plated meal consisting of a salad, rolls, your choice of meat (Fried Chicken or Pork Loin) green beans and scalloped potatoes. Desert and Tea/Coffee will be included. You will have to make your choice of meat on the registration form. Angie went to a "tasting" to check out the food and brought me home a plate. It was wonderful. The pork loin was stuffed with an apple stuffing with gravy on it. The fried chicken was fantastic.

The hotel is easily accessible from Interstate 64 at exit 183. It is located on Broad Street which has shopping and restaurants in both directions for miles. Every kind of food imaginable is within a couple of miles. In the packets, we will have a map highlighting most of the eateries around.

Besides serving as the State Capital, Richmond is packed with historical and cultural sites, so we decided why not offer a tour of our city? We have arranged with Winn Bus Lines, a brief sightseeing tour of Richmond. This will consist of about an hour and a half to two hour tour pointing out some of Richmond's highlights. The cost for the tour is \$16 and will be based on preregistration. We will need a minimum of 25 people to make this happen. They can handle as many as we have so no limit. We will set this up for before lunch, probably 10 – 12. This will allow folks to check out things in the morning, take the tour and still leave time for afternoon activities.

Another event we have set up is a Mary Kay "Ultimate Pampering Session" for after lunch. All ladies that attend will receive a lip and hand treatment and a personalized skin care treatment. This complementary, and please check out more information on this later in the newsletter.

We also have someone from the Law Offices of Tom McGrath coming to give a talk. Not the insurance talk that most of us have heard but some new information that may be of use to some of us. We always appreciate Tom and his crew and their support of not only GWRRA, but motorcyclist of all kinds.

Wingless is shaping up to be a new and exciting event, one that you won't want to miss.

Donations to the Homeless Hearts are welcome We are always collecting the individual soaps, shampoos, conditioners, lotions, etc. that you get from the hotels when traveling. Make sure you collect them for us and we will make sure that they get delivered to the YWCA Battered Women's Shelters. Bring them to our meetings or give them to a Chapter D member when you see them. Thanks for all your help during the year.

2011 Calendars for Lucy Corr. If you are not going to use the gazillion calendars you get in the mail, from your pharmacy, from your insurance agent and everyone else in the world who wants you to know what day it is, collect them for Lucy Corr. They give every resident a new calendar each year and also provide one to new residents as they move into the complex. Bring them to the Chapter D meetings or call a staff member.

New Year's Eve Dinner with Chapter D on Friday, December 31st was a big hit! Dinner at Antonio's Restaurant and Pizzeria was a great way to end 2010. Food was good albeit a little slow at time. They were very busy as the whole restaurant was packed. Our private room had about 30+ people to help celebrate the ending of 2010 and the beginning of a wonderfully health and happy 2011. Rich had some wonderful trivia questions and prizes, some were easy, others had us scratching our heads. I had a rousing game of Celebrity Password with a few people. Just like the old game show on television, contestants provided one word clues to their partner to guess the answer. David & Lois Nichols got it on the first clue. Good job! For the rest of us, it took more than one try.

Lucy Corr Bingo is coming up March 18, 2011 at 6:30-7:30 PM. The residents at Lucy Corr absolutely love us to come and play Bingo with them. We bring such great prizes and everyone leaves there with a prize of their choice. I'll need some volunteers to help with this event so if you haven't done this before, it will be great fun and the residents will be pleased to see us again.

Billy Russell, Chapter Educator

OK, everybody you meet for the last couple of weeks has been saying, "Happy New Year". Everybody wishes everybody a year that is even better than the last one.

I'm no different. "Happy New Year!!!!"

... BUT ... (You didn't think you were getting off that easily, did you?)

I'd like to add something that I hope will help you to have a TRULY Happy New Year ... all year long.

Accident related deaths for motorcycle riders are on the rise. I don't pretend to know all the reasons why. I have my suspicions. I'm sure you have yours, too. Maybe if we all remember 10 little things we can bring those numbers down again.

We can at least do everything we can to make sure that we and those we care about don't become part of the statistics.

1. **DO NOT EVER EVER EVER DRINK AND RIDE**

2. ALWAYS wear a HELMET

3. ALWAYS wear proper safety gear

4. NEVER ride unless you are up to it - physically, mentally, and emotionally

5. PAY ATTENTION to EVERYBODY on the road

6. Remember the shoulder check - it WILL save your life!

7. Don't allow yourself to be distracted

8. Make sure your ride is in top shape and safe to ride (TCLOCS PLUS)

9. Take every opportunity to upgrade/freshen your skills - it doesn't have to be a GWRRA course ... as long as you are gaining benefit from it, it's good!

10. Be a **REAL** friend. Tell a friend when s/he has had enough to drink. Take their keys. Save a friend's life! They may be angry with you for a few hours or a few days, but you do the right thing. They will thank you for it, even if they don't say the words!

Come to think of it, these rules are pretty good for all of us who drive around in cages, too.

Happy New Year! www Wrong Way Willie
... and keep the rubber side down!

Powhatan Christmas Parade 2010 by Tommy Broughton

We all met at Frisby's in Powhatan and had lunch and coffee before heading out to line up and decorate our rides for the parade. On bikes, there were Rich and Debbie, Billy and Lee, Lester and Kelly, Ted, Larry, Bill along with Tommy and Ginny. On trikes we had Jerry and Gretchen, Junie Miller, Al Dowell, Tom Westendorf along with Cecil Glass. Debbie B. and Jacque W. were there, each in their four wheelers. We headed up to the lineup as a group and Debbie and Jacque found a spot on the side of the parade route where they could watch and take pictures as we rode by. After finding our spot we decorated our bikes. Debbie really had their trike looking good and it had a sign on the back wishing everyone a Happy Holiday from GWRRA in Virginia. Ginny didn't ride the bike in the parade but instead rode a float with the former Christmas Mothers of Powhatan. The parade moved along as most parades do...slow. We were behind the High School Band and as they passed by it was amazing to see the people raise their cameras and take pictures of those beautiful bikes. When we got in front of the Courthouse we stopped and waved to the big crowd as the announcer told of the many good things we do for the community and the many hundreds of thousands miles we have ridden while promoting safety and a positive image for motorcycles. We then parked behind the Courthouse and removed our decorations and most headed on home. Ginny and I stayed and watched the rest of the parade and received many nice comments about the nice bikes.

Just after the parade ended it started to sprinkle. For some, especially the ones headed back to the Chester area, they got caught in heavy rain which dampened the spirits of what had been a wonderful day enjoyed by all who took part.

Thanks to the ones who came. We put our best foot forward and provided a good image for GWRRA and motorcycles. We'll do it again next year. Tommy

The Annual Powhatan Christmas Parade by Debbie Dowell

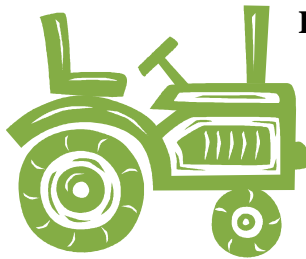

On December 11th, everyone who planned to ride in the Powhatan Annual Christmas Parade met at Frisby's Restaurant located on Route 60. After a very enjoyable lunch, the twelve (12) bikes headed a short distance to the parade staging area. We had plenty of time to decorate our bikes with garland, holly and beautiful ribbons. Those who were able to attend this fun afternoon were: Tommy & Ginny Broughton; Rich & Debbie Bonham; Lester & Kelly Critton; Jerry & Gretchen Phinney; Bill McGill; Larry Crow; Ted Nelmes; Al & Debbie Dowell; Billy & Lee Russell; Junie Miller; Tom & Jacque Westendorf and Cecil Glass.

Watching the bikes all decorated and making their way along the parade route was a beautiful sight. After a 2-hour long parade, along came the jolly old man himself, Santa Claus.

Fortunately, the parade was over before the rain decided to put a damper on our fun. Our special thanks to Tommy and Ginny for arranging the entry of our organization in the parade.

Parade Line Up for Powhwtan Parade

Keystone Tractor Works Museum Ride by Ted Nemes

After the snow finally melted, I received some emails that some people wanted to ride. With the lows about 28 degrees and high expected to be 45 degrees we decided to take a short 30 minute ride through back roads west of Colonial Heights to the new Keystone Tractor Works Museum on Roslyn just west of South Park Mall and I-95. Looking at the website I figured about 1 hour at the museum and then a 1 hour ride to lunch and another 2 hour ride after lunch. Gold Wings, Trikes, VTX, Shadows, all together 11 bikes showed up at McDonalds in Chester.

After several cups of hot \$.63 senior coffee (free refills) we headed south on Rt. 1 and took a loop to the Keystone Museum. We lost one rider due to “cold weather” when we passed close to his house. Another 5 miles we arrived to our destination. Upon entering the museum, we were greeted by a friendly staff including the founder, Keith Jones, CEO of Abilene Motors. Keith has collected and restored over 200 antique tractors, trucks, and cars from 1917 to 1960 in a new 65,000 sq ft bldg. From 28 John Deere 2 Cylinder models from the Water Boy through the 860 and Minneapolis Moline’s, Sampson Jumbo’s, Silver Kings, Nuffield, Graham Bradley, Massey Harris, Massey Ferguson, Farmall, Case, Oliver, Cockshutt and etc. Instead of 1 hour we spent 2 ½ hours at the museum, building up an appetite for lunch. We opted to eat at a local Italian Eatery, Carini’s in Colonial Heights. During lunch we discussed the museum, present rides, tall tales, and suddenly realized it was 3 PM and still cold with temperature about 40 degrees and the sun had not appeared yet. We decided to part ways and head back home. We didn’t ride very far but everyone agreed they had a fantastic time and are looking forward to the next Tuesday ride.
